Electrolux | ICON®

Designed for the well-lived home.

Full-Gas Freestanding Range

E36GF76HPS professional series

Smooth-Glide™ Oven Racks

Imagine oven racks that glide with unparalleled ease and extend fully for effortless access to your meal. Designed with a centered easy-grip handle and a patented ball bearing rack system for smooth-gliding performance with the touch of a finger.

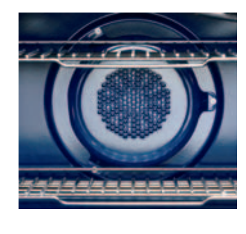

Min-2-Max™ Sealed Burner

Burner configuration includes a versatile Min-2-Max™ sealed burner delivering anywhere from 18,000 to 450 BTUs. Thanks to the double ring configuration, you can whisk delicate sauces or bring water to a rapid boil. You decide the level of heat output by a simple turn of the burner knob.

Sealed Rangetop

One look says it all. This superior gas-through-ceramic glass surface is durable, smooth and easy to clean. The glass ceramic surface easily buffs to a glossy shine. Imagine the beauty this sleek, glistening rangetop will bring to your kitchen.

European Convection System

By adding a third cooking element and a convection fan, heat is distributed evenly throughout the oven. Cooking every meal to perfection has never been easier.
